Mini-Class Day

Mini-Class Day will be held on Friday, Jan 19. The day will include a variety of classes including a golf class lead by James Seeley. We are looking to **borrow clubs for the day (junior's or women's)**. Please contact Annette Kuehne if you have some. Hot lunch will be served on that day including: Chik-Fil-A nuggets, salad, chips, and dessert.

Mini-class day classes and volunteers:

- Pam & Ashley – Cooking, Jim Doring – Hour of Code, Rick Nelson – Screen printing, Ann Radichel – Storytelling, James Seeley – Golf, Honglan Zhong – China, Eleise Aymond – Mission Helper Cross Bead Necklaces

Preschoolers and families are welcome to join the storytelling session at 2:20p.m. Please call one of the teachers or Annette Kuehne to be let in.

We are looking forward to a great day!

Field Trip to Minnesota Orchestra

Our school will be taking a field trip on Wednesday, Jan. 17 to hear the Minnesota Orchestra Young Person's Concert titled "Olympic Inspiration." The students will hear music by Williams, Dvorak, Bernstein and others. With the concert beginning at 11:30 am we will plan to leave school around 10:45 and returning by 1:15. Parents may wish to pack a larger snack for their student that day as the students will eat lunch upon arrival back to school following the concert. **Please send booster seats and dress your children in Berea clothes!**

Upper Grade Ski Trip

The 5th – 8th graders will be going skiing on Thursday, Feb. 1 at Hyland Ski Area in Bloomington. They will be leaving at 8:20, eating lunch at the ski area, and returning to school by 3:00. The program includes a lesson, ski and helmet rental, and lift ticket (if student qualifies after lesson). Lunch may be purchased at the cafeteria that day, or students may bring their own lunch. Students should dress appropriately for that day including warm, water-resistant gloves, and snow pants. Dressing in layers is recommended. All students will be wearing helmets, so hats are not needed. At this point we have six adult skiers along to chaperone. That is also plenty for driving students, but if more parents want to come along to chaperone in the lodge, or just to learn to ski, you are welcome. **Important note:** Each student needs to have a waiver form filled out and signed by a parent. These forms were included in this week's folder. **Please fill out this form and return it to school. Your child will not be able to ski without a signed waiver form.**

Building Security Change

The upper school door will now be locked during school hours (8:15 – 3:15, M-F) as part of our building security policy. If you need to enter the building during this time, just knock on the upper school door and Mr. Thurow, or an upper grade student (if you are recognized) will let you in. You may text any of the teachers to alert us that you are at the door also.

Talent Show

As was mentioned in the note that went home last week, this year's Play Night, Feb. 23rd (see school calendar) will be a Talent Show. Please see the details in the note (also posted on website). The deadline for approval of talent routine plans/scripts etc. is next Friday, Jan. 26.

End of Second Quarter

Friday was the end of the second quarter. Report cards will be mailed this week. Remember, Microwave lunch schedule changes. Please follow that schedule when packing lunches for your child. Committee #2 has quarterly cleaning duties. Please complete them as soon as possible to the beginning of this quarter.

Mission Offering

The students did an amazing job raising money before the Christmas Party. Almost \$400 was raised in a week and a half! What an outpouring of Christian love! Two hundred dollars of that total went towards gift cards for a needy family. The remainder of the amount will go toward the Kindergarten food drive coming up later this year, and towards Project KINSHIP, the CLC's fund to help with the spiritual physical needs of orphans and seminary students in our overseas missions, so that His kingdom will grow. Now we have another opportunity in front of us. Each week, we collect an offering at our Friday devotion which will also go towards Project KINSHIP. We've collected about \$70 this year so far. Let's pray that the Lord will move our hearts to give towards this worthy cause.

Notes from Mrs. Rehm (Grades 1-4):
